# Steadfast NATIONAL DOCTOR'S DA

Place: Ahmedabad

Date: 29/06/2021

I AM very fortunate that the doctors, who take care of me and am still in touch with. have been among the best one can ask for. Over the years, the bond has grown beyond a doctor-patient relationship.

We have many eminent and talented doctors in India and in the world, who are rendering great service to mankind. Dr R.N. Kalra of Kalra Heart Hospital in Kirti Nagar, New Delhi, has been a very prominent person and confidante in my life, whom I know since 1982. Since 1982, I have watched him treat his patients with the

same dedication and warm smile, that instantly puts everyone at ease. When I was not a celebrity and even after becoming one, his treatment towards me has been the same. In his seventies now, Dr Kalra attends his clinic daily without fail, which shows intense passion for his profession. Another, amazing doctor is Dr Gurnam Singh, Noor Mahal, a historical place close to Jalandhar in Punjab. A

qualified MBBS doctors, he also practices Ayurveda and homeopathy. He has cured us with the simplest of medication, Dr Sarin, Director, Institute of Liver and Biliary Sciences in Vasant Kuni, Delhi is another outstanding doctor, who treats his patients with compassion, and so is Dr Dibakar, a homeopathy doctor. They have gone out of their way to help patients during Covid to save lives. Money, recognition, adulation, are no lure to

A good doctor is one who treats you like his own offspring and not as a patient

or client. I salute such doctors and healthcare personnel, even those whom I do not know, but have shown incredible courage putting their lives to risk, leaving behind their worried families, and the world fearful of getting affected. Doctors are truly Gods on earth. My utmost gratitude to them.

**DALER MEHNDI**, Indipop Singer

# "It's gonna be tough but tough can't be impossible."

**OUR** shining knights, during the unprecedented Pandemic times came adorning the white coats, this time. The trust, the ill and the ailing repose in the doctor, is nothing less than a person next to God. For them a Doctor only is the God personified. These front line warriors - Doctors, Nurses and paramedics worked round the clock because for them, every life matters. Being a frontline worker myself I have had the first hand experience of hard work which the members of the medical community have put in to provide succor to the ill, ailing and afflicted people unmindful of personal risk to them and their families.

Providing advice, medication, care, changing a life, pro-life and pro care is the mantra they operated on.

Humble and dedicated doctors, always willing to listen to their patients and muster together the full array of resources—medical, human, social, that will contribute to their patients' recovering and healing. They did everything in their capacity to alleviate the pain and suffering. The triad of

promotional, preventive and curative aspect of their oath was abundantly visible during both the waves of raging pandemic. And many of them laid down their lives to save their patients.

When the life in times to come is no longer a slippery road, let's not forget what these men in white capes did for the humanity. Let's always be in gratitude for their dedicated, thoughtful, and compassionate service they did for us. They went, above and beyond and worked tirelessly towards a healthy and much desired outcome.

On this Doctor's day it would be appropriate to conclude with a modi-

fied quote from the movie Troy, "If they ever tell their story, let them say I walked with giants. Men rise and fall like the winter wheat, but these names will never die".
