

FAZE THREE LIMITED

ENVIRONMENT, HEALTH & SAFETY POLICY

Faze Three Limited is committed to produce the products in an Environment Management System.

We are committed to,

- ✓ Continually improve our environmental performance.
- ✓ Develop and maintain environmental management programs with objectives and targets to minimize adverse environmental impacts.
- ✓ Comply with all applicable environmental, health, and safety laws, regulations, and other requirements.
- ✓ Implement effective pollution prevention and waste minimization programs to reduce, reuse, and recycle materials.
- ✓ Ensure that energy and water are efficiently used and conserved through innovative practices and procedures.
- ✓ Optimize use of natural resources i.e. energy, fuel, water and chemicals.

This policy is communicated with all the employees and interested parties who are working for or on behalf of Faze Three Limited.
